

Product Bulletin: NEW Improved Torch Body for PT-15XL

Centricut has introduced a new torch body, **P/N C10-754**, for use on PT-15XL plasma torches. The new torch features a threaded and glued design that improves alignment of torch components and increases strength of the assembly.

The C10-754 is a direct replacement for ESAB **P/N 20754**. The new design can be identified by the suffix "B" on the serial number.

Centricut is in no way affiliated with ESAB®; PT-15XL is a product of ESAB®
