

Product Bulletin: NEW Improved Torch Body for PT-19XL

Centricut has introduced a new torch body, **P/N C47-391** for use on PT-19XL plasma torches. The new torch features a threaded and glued design that improves alignment of torch components and increases strength of the assembly.

The C47-391 is a direct replacement for ESAB **P/N 20391**. The new design can be identified by the suffix "C" on the serial number.

Centricut is in no way affiliated with ESAB®; PT-19XL is a product of ESAB®
